## LEADING GOALS

- Provide a welcoming space for students to write and collaborate
- Provide schoolwide support through workshops and in-class visits
- Provide one-on-one support through tutoring sessions

## TUTOR TRAINING

- Focuses: Training focuses on helping tutors practice tutoring skills and strengthen their writing skills.
- Before COVID-19: Returning tutors trained tutors at a training retreat.
- During COVID-19: New tutors participate in an online course, and the director oversees additional training on an ongoing basis.

## TRADITIONS

At Waffle Workshops, students sign up to attend a workshop conducted by Fellows while they write, learn, and eat.
