# SSWCA 2027 Conference:
# The Space to Play Outside the Box

Friday, March 12 & Saturday, March 13, 2027
Renaissance High School, Meridian, ID

## Conference Keynote: Friday, March 12

# Sean Hancock

Sean Hancock inspires people to play, listen and create together, using the principles of improv. A keynote speaker, author and founder of Recycled Minds Comedy- a training center developing stronger leaders, speakers and humans—he brings high-energy, interactive talks that get audiences laughing, moving and learning from each other. With his wife, Colleen, he runs The Creative Space, a venue where people get out of their own way and have breakthroughs on stage. Sean has emceed everything from New Year's Eve celebrations to an event with the Dalai Lama, and his clean comedy is featured on Dry Bar Unscripted. Expect a room that laughs hard and leaves with creative ideas to think outside the box.
